

Pace of Play

18 holes

1 player = 1 hour
2 players = 2 hours
3 players = 3 hours
4 players = 4 hours

9 Holes

1 player = 30 mins.
2 players = 1 hour
3 players = 1.5 hours
4 players = 2 hours

We say it takes approximately an hour for an individual player to play 18 holes. So, if you have more than one player you would probably want to book an additional hour for each player in your group. For example, a foursome would normally book four hours of playing time.

If requesting to play only on the Driving Range or HD Games Features (tic tac toe, top golf skill challenge feature, etc.) a timer will be set upon number of hours requested.

The cost can be split several ways depending on number of players in a group

Example: 4 players for 4 hours = \$180 total

Or

\$45 a player

Example: 4 players for 2 hours = \$90 total

Or

\$22.50 a player
