

Dear Valued Customers,

First off, we would like to thank you for your continued loyalty at this time. We are aware of the COVID-19 Pandemic, and at this time we are taking extra precautions to protect not only our customers, but our staff as well. We have been in close contact with the health inspector, and we have been following his advice to ensure that proper cleaning procedures are taking place within our facility.

Precautions we are taking include:

- Thoroughly and frequently cleaning sim computer screens, mice and keyboards, faucets, debit keypads and door handles with disinfectant wipes.
- Thoroughly and frequently cleaning all tables, rental clubs, and the bar counter with a higher concentration of bleach mixture.
- Staff is required to wash their hands more frequently for a minimum of 30 seconds, we ask that customers be patient while this takes place, as this has been said by public health officials to be the most effective preventative measure.
- Making the switch to disposable rags for wiping surfaces.
- Encouraging customers to wash their hands for a minimum of 30 seconds each time the bathroom is used.

We will continue to monitor Public Health statements. Please follow our Facebook page for updates or feel free to email [chris@onthelinks.ca](mailto:chris@onthelinks.ca) or call 807-286-2255 with any questions or concerns you may have.

We thank you for your continued support, and we look forward to seeing you again On The Links!

Sincerely,

Chris Ferguson  
Owner
